Event Manager **Jayne Henry**

I am so very excited to be presenting our fourth annual ten day food festival here in the Tweed. I am extremely passionate about our region and a tireless advocate for small business and community engagement.

I continue to work in conjunction with our local businesses to develop our event and promote our area nationally and internationally.

It is our local businesses that are the core of our community and the future of our children and our Shire.

Jayne Henry is a past President of the Chamber of Commerce and the current President of the Rotary Club of Kingscliff
